Blue Hills

Computer Club Exhibition

The fourth and fifth-grade students (and the marvelous volunteers) in the Blue Hills Computer Club have been working hard all year. On June 5, at 6 p.m. in the Blue Hills GLC, the students will host an exhibition to display what they've learned. The beginner's Computer Club classes will showcase the programs they've learned to code on Google AIY voice devices that they built themselves. Don't miss this special event!
