Blue Hills

Computer Club Exhibition

The fourth and fifth-grade students (and the marvelous volunteers) in the Blue Hills Computer Club have been working hard all year. On June 5, at 6 p.m. in the Blue Hills GLC, the students will host an exhibition to display what they've learned. The beginner's Computer Club classes will showcase the programs they've learned to code on Google AIY voice devices that they built themselves. Don't miss this special event!

A Huge Thank You to Blue Hills' Terrific Ice Cream Social Volunteers!

There were lots of smiling faces at last week's Ice Cream Social! Kids were running around, playing games, and parents got a chance to catch up with some of their friends. It looked like everyone was having a great time.

None of it would have been possible without the army of volunteers that came out and helped to make this year's Ice Cream Social the huge success that it was!

There are too many to list here, but we know and you know who you are.

THANK YOU!
