

5th Grade Yearbook Dedication (ads)

**🐾 Make your child's last Blue Hills 🐾
yearbook one to remember!**

Dear 5th grade parent:

How time flies! Your child is now a 5th grader and will soon embark on an exciting new journey into Middle School. Create a special send-off for your child! You can add pictures and send a personalized message to your child to congratulate him/her, tell him/her how proud you are, or wish him/her good luck in middle school. This special message will appear in the 2017-18 yearbook.

Purchase your dedication (ad) online through the Balfour website, and have the flexibility to design it yourself with easy-to-use online software. You may also design your tribute using other software and import the artwork as a jpeg file to the proper template on the Balfour website. Your only limitation is your creativity.
